

Zero

09 ◀

Un braciere a legna per esterno, un nido dove rifugiarsi,
lasciarsi riscaldare dal fuoco:
all'eccentrica danza delle fiamme si sostituisce
il silenzioso ardere della brace.

A wood fire pit for outdoor use, a nest in which to take refuge,
enjoying the warmth of the fire:
the eccentric dance of the flames is replaced
by the silent glow of the embers.

Zero

Design e arte si fondono, raccontando il fuoco con stile.
Zero valorizza lo spazio che lo circonda regalando forte emozioni, calore e ospitalità.
Un oggetto unico, dal sapore intramontabile.

Design and art come together, depicting fire with style.
Zero enhances the space that surrounds it, offering strong emotions, warmth and hospitality.
A unique object, with a timeless flavour.

Texture collection

aluminium

Struttura in acciaio Inox
con piano superiore ricavato da alluminio fuso.
Spazzolato e lucidato con tecniche artigianali.

Stainless steel framework
with upper surface obtained from melted aluminium.
Brushed and polished with handcrafted techniques.

iron brown

Struttura in acciaio ossidato
con piano superiore ricavato da metallo fuso e
rifinito con tecniche artigianali.

La texture richiama la matericità del legno.

Oxidised steel framework
with upper surface obtained from melted iron,
finished with handcrafted techniques.
The texture recalls the materiality of wood.

wood

Struttura in acciaio ossidato
con piano superiore in legno antico,
recuperato e trattato.

Oxidised steel framework
with upper surface made of antique wood,
recovered and treated.

iron

Struttura in acciaio spazzolato
con piano superiore ricavato da metallo fuso
e rifinito con tecniche artigianali.

Brushed steel framework
with upper surface obtained from melted iron,
finished with handcrafted techniques.
